Submission of Course Information for Consideration Towards Assigned Missing Academics

Name: _____ Membership #: _____

Email Address: _____

I am submitting course information in order to request approval to satisfy outstanding academics towards my C.Tech. or C.E.T. certification.

| Course Provider | Course Name | Course Delivery (ie. online, in class, self study) | Length of Course (must be 5 days or greater) | Passing Grade Required | Course Description Attached* |
|-----------------|-------------|--|--|------------------------|------------------------------|
| | | | | | |
| | | | | | |
| | | | | | |
| | | | | | |

***course descriptions must be attached to this document, web page links will not be accepted **courses must be 5 full days or greater or a part of a semester long college and/or university program with an written exam at the end.**

I have reviewed the course competencies that were sent to me from OACETT and feel that the suggested courses listed above satisfy the OACETT assigned academics as follows:

| OACETT Assigned Course | Suggested Equivalent Course from Above Table | Rationale for Equivalency |
|------------------------|--|---------------------------|
| | | |
| | | |
| | | |
| | | |

The Admissions Committee will review this submission and advise if the courses submitted by the member satisfy the academic. Please allow 8 weeks for a response.
