

FELLOW OACETT

DEADLINE TO APPLY – November 30, 2023 by 4:30 p.m.

IMPORTANT NOTE: Only information provided in the application will be considered. It is therefore of the utmost importance to submit a full and detailed package. The Fellow OACETT Committee will evaluate based only on the accuracy, strength and completeness of this application.

The Fellow OACETT designation is the highest and most prestigious membership category, allowing the recipient to use the designation *Fellow OACETT*.

The Fellow OACETT Designation:

- Can only be bestowed upon a living, certified member in good standing with the Association; it is not a posthumous honour.
- All certified members of the Association in good standing are eligible except current members of the Fellow OACETT Committee. A sitting Council member may not apply and may not nominate another sitting Councillor but is otherwise eligible to be nominated.
- Does not require a minimum number of years of membership to qualify.
- May recognize deed(s) or achievement(s) accomplished prior to the person becoming a certified member of OACETT.

PROCESS

1. Submit the application, including signatures of supporters and supporting documentation by the deadline to the Office of the Registrar at registrar@oacett.org.
Note: Incomplete applications will not be moved forward to the Fellow OACETT Committee and will be returned for further information.
2. The Fellow OACETT Committee will consider all complete applications and evaluate them using the established criteria below. The names of up to five successful candidates will be forwarded to the IETO Board for approval and subsequently to OACETT Council for final voting.
3. Each candidate will be considered as a single resolution and put to a vote. In order for the Fellow candidate to be approved, it must be supported by 90% of a quorum of Council.
4. Fellow OACETT designations will be presented during the President's Dinner at the next OACETT Annual General Meeting.

INSTRUCTIONS

1. Each application must be supported by certified OACETT members in order for it to be considered.
 - a) A certified member may nominate another certified member with support from four additional certified members.
 - b) A certified member may personally apply for the Fellow OACETT designation. The application must be supported by five certified members other than oneself.
 - c) An OACETT Associate member or a non-member may nominate a certified member with support from five certified members.

2. Detailed information and evidence with supporting documents including the candidate's resume that fully demonstrate their qualifications, contributions and achievements for as many of the OACETT Fellow criteria as possible.
3. It is the applicant's/nominator's responsibility to ensure supporters are certified members in good standing and information is submitted by the deadline.
4. Consult with the candidate so that all information submitted is complete, accurate and aligned with the Fellow criteria.
5. Candidate must sign the declaration and consent section.
6. Only information provided in the application will be considered. It is therefore of the utmost importance to submit a full and detailed package of information.

CRITERIA

The Fellow OACETT may be granted to a certified member of the Association who has demonstrated significant (notable, unique and/or positive) achievement(s) and contribution(s) in the field of engineering technology, applied science or related field, evidenced by as many of the following criteria as possible:

1. Technical accomplishment(s) such as innovation in equipment, processes, research, products.
2. Service to the engineering technology and applied science community and/or the public in the area of:
 - Significantly advancing the cause (e.g. protection of the public, job creation, international work, outreach) or knowledge of engineering technology and applied science (teaching, writing, public speaking)
 - Outstanding dedication and contribution to OACETT (time, financial and/or in-kind contribution(s) to the Fletcher Foundation, representing OACETT at/on conferences, Boards, Councils, committees, events)
 - Service to the not-for-profit sector or the community unrelated to OACETT such as business-related organizations, service clubs, sports, political involvement, local clubs or events, charitable events or groups, other professional or scientific associations
 - Devotion to the profession over a period of time or for a single outstanding act of service.
