

Ontario Nationally Accredited Programs

The charts below list:

1. Current programs nationally accredited by Technology Accreditation Canada (TAC) since 2014, and
2. Previously accredited programs by Canadian Technology Accreditation Board (CTAB) only recognized for the time period listed.

Graduates eligible to proceed to C.E.T. who have graduated from a technologist level program listed below, will not be assigned the technology proposal and report since this requirement has been completed and assessed as part of their academic program.

1. TAC Nationally Accredited Programs

Cambrian College of Applied Arts and Technology

Program Name	Program Level	OACETT Recognized Years	Accreditation Body
Civil Engineering Technology	Technologist	2017- Present	TAC
Mining Engineering Technology	Technologist	2015- Present	TAC

Centennial College

Program Name	Program Level	OACETT Recognized Years	Accreditation Body
Biomedical Engineering Technology (Fast Track Co-op)	Technologist	2020 - Present	TAC
Biotechnology (Fast Track)	Technician	2017- Present	TAC
Biotechnology – Advanced (Co- op, Fast Track, Fast Track Co-op)	Technologist	2017- Present	TAC
Computer Systems and Networks Technician	Technician	2019- Present	TAC
Computer Systems Technology - Networking (formerly Computer Systems and Networks Technology)	Technologist	2019- Present	TAC
Electrical Engineering Technician	Technician	2021-Present	TAC
Electrical Engineering Technology	Technologist	2021-Present	TAC
Electro-Mechanical Engineering Technician - Automation and Robotics	Technician	2019- Present	TAC
Electro-Mechanical Engineering Technology - Automation and Robotics (Fast Track, Co-Op)	Technologist	2019- Present	TAC
Electronics Engineering Technology	Technologist	2019- Present	TAC
Energy Systems Engineering Technician	Technician	2021-Present	TAC
Energy Systems Engineering Technology	Technologist	2021-Present	TAC
Environmental Protection Technician	Technician	2018- Present	TAC

Program Name	Program Level	OACETT Recognized Years	Accreditation Body
Environmental Protection Technology (Fast Track, Co-Op)	Technologist	2019- Present	TAC
Food Science Technology	Technologist	2018- Present	TAC
Health Informatics Technology	Technologist	2017- Present	TAC
Mechanical Engineering Technician – Design (Fast Track)	Technician	2017- Present	TAC
Mechanical Engineering Technology – Design (Fast Track, Co-op, Fast Track Co-op)	Technologist	2017- Present	TAC
Mechanical Engineering Technology - Industrial	Technologist	2017- Present	TAC
Software Engineering Technician	Technician	2017- Present	TAC
Software Engineering Technology	Technologist	2017- Present	TAC
Software Engineering Technology - Interactive Gaming	Technologist	2017- Present	TAC

Georgian College of Applied Arts and Technology

Program Name	Program Level	OACETT Recognized Years	Accreditation Body
Electrical Engineering Technology	Technologist	2014- Present	TAC

Niagara College of Applied Arts and Technology

Program Name	Program Level	OACETT Recognized Years	Accreditation Body
Civil Engineering Technician	Technician	2017- Present	TAC

2. CTAB Nationally Accredited Programs

Algonquin College - School of Advanced Technology

Program Name	Program Level	Discipline	OACETT Recognized Years	Accreditation Body
Architectural Technician	Technician	Building	2009 - 2016	CTAB
Architectural Technology	Technologist	Building	2009- 2016	CTAB
Computer Systems Technician	Technician	Information Technology	2004- 2016	CTAB
Mechanical Engineering Technology	Technologist	Mechanical	2013- 2016	CTAB

Cambrian College of Applied Arts and Technology

Program Name	Program Level	Discipline	OACETT Recognized Years	Accreditation Body
Automation Engineering Technology (<i>formerly Instrumentation Engineering Technology-Industrial</i>)	Technologist	Electronics	2004-2009	CTAB
Civil Engineering Technology	Technologist	Civil	2003- 2016	CTAB
Electronics Engineering Technology	Technologist	Electronics	2004-2007	CTAB
Geological Engineering Technology	Technologist	Mineral	2004-2010	CTAB
Mining Engineering Technology	Technologist	Mineral	2004-2014	CTAB

Centennial College

Program Name	Program Level	Discipline	OACETT Recognized Years	Accreditation Body
Architectural Technician	Technician	Building	2008- 2016	CTAB
Architectural Technology	Technologist	Building	2009- 2016	CTAB
Biomedical Engineering Technology	Technologist	Bio/Medical	2010- 2016	CTAB
Biotechnology Technician - Industrial Microbiology	Technician	Bioscience	2007- 2016	CTAB
Biotechnology Technologist - Industrial Microbiology	Technologist	Bioscience	2007- 2016	CTAB
Computer Engineering Technician - Embedded Networks	Technician	Electronics/Information Technology	2010-2013	CTAB

Program Name	Program Level	Discipline	OACETT Recognized Years	Accreditation Body
Computer Engineering Technology - Embedded Networks	Technologist	Electronics/Information Technology	2010-2013	CTAB
Computer Systems Technology - Networking (formerly Computer Systems and Networks Technology)	Technologist	Information Technology	2007- 2016	CTAB
Electro-Mechanical Engineering Technology - Automation and Robotics	Technologist	Mechanical/Electronics	2008- 2016	CTAB
Electronics Engineering Technician (Fast Track)	Technician	Electronics	2007- 2016	CTAB
Electronics Engineering Technology	Technologist	Electronics	2007- 2016	CTAB
Energy Systems Engineering Technician	Technician	Electrical/Building	2012- 2016	CTAB
Environmental Protection Technician	Technician	Bioscience	2007- 2016	CTAB
Environmental Protection Technology	Technologist	Bioscience	2007- 2016	CTAB
Health Informatics Technology	Technologist	Information Technology	2010- 2016	CTAB
Mechanical Engineering Technician – Design (Fast Track)	Technician	Mechanical	2008- 2016	CTAB
Mechanical Engineering Technology – Design (Fast Track, Co-op, Fast Track Co-op)	Technologist	Mechanical	2008- 2016	CTAB
Mechanical Engineering Technology - Industrial	Technologist	Mechanical	2011- 2016	CTAB
Software Engineering Technician	Technician	Information Technology	2010- 2016	CTAB

Program Name	Program Level	Discipline	OACETT Recognized Years	Accreditation Body
Software Engineering Technology	Technologist	Information Technology	2010- 2016	CTAB
Software Engineering Technology - Interactive Gaming	Technologist	Information Technology	2010- 2016	CTAB

Confederation College

Program Name	Program Level	Discipline	OACETT Recognized Years	Accreditation Body
Electronics Engineering Technician - Computers	Technician	Electronics	2011- Present	CTAB
Electrical Engineering Technology - Computer Controls	Technologist	Electrical	2011- Present	CTAB
Instrumentation Engineering Technician	Technician	Instrumentation	2011- Present	CTAB

DeVry Institute of Technology - Toronto Campus

Program Name	Program Level	Discipline	OACETT Recognized Years	Accreditation Body
Electronics Engineering Technician	Technician	Electronics	1996-2002	CTAB
Electronics Engineering Technology	Technologist	Electronics	1996-2004	CTAB

Georgian College of Applied Arts and Technology

Program Name	Program Level	Discipline	OACETT Recognized Years	Accreditation Body
Mechanical Engineering Technology - Automotive Manufacturing	Technologist	Mechanical	2005- 2016	CTAB

Humber College

Program Name	Program Level	Discipline	OACETT Recognized Years	Accreditation Body
Civil Engineering Technology (Co- op)	Technologist	Civil	2011- 2016	CTAB
Electrical Engineering Technology - Control Systems	Technologist	Electrical	2011- 2016	CTAB
Electromechanical Engineering Technology (Previously Electromechanical Engineering Technology – Automation and Robotics)	Technologist	Electrical/Mechanical	2011- 2016	CTAB
Electronics Engineering Technology	Technologist	Electronics	2011- 2016	CTAB

Mohawk College of Applied Arts and Technology

Program Name	Program Level	Discipline	OACETT Recognized Years	Accreditation Body
Mechanical Engineering Technology	Technologist	Mechanical	2009- 2018	CTAB

Niagara College of Applied Arts and Technology

Program Name	Program Level	Discipline	OACETT Recognized Years	Accreditation Body
Civil Engineering Technician	Technician	Civil	2014- 2016	CTAB
Construction Engineering Technology -Architecture	Technologist	Building	2009-Present	CTAB
Mechanical Engineering Technology	Technologist	Mechanical	2009-2014	CTAB

RCC Institute of Technology (RCCIT)

(Formerly RCC College of Technology, formerly Radio College of Canada)

Program Name	Program Level	Discipline	OACETT Recognized Years	Accreditation Body
Computer Networks Engineering Technician	Technician	Information Technology	2001-2004	CTAB
Computer Networks Engineering Technology	Technologist	Information Technology	2001-2012	CTAB
Computer Networks Engineering Technology (Post-Graduate)	Technologist	Information Technology	2001-2008	CTAB
Electronics Engineering Technician	Technician	Electronics	1995-2004	CTAB

Program Name	Program Level	Discipline	OACETT Recognized Years	Accreditation Body
Electronics Engineering Technology	Technologist	Electronics	1995-2012	CTAB

Seneca College of Applied Arts and Technology

Program Name	Program Level	Discipline	OACETT Recognized Years	Accreditation Body
Computer Engineering Technology	Technologist	Information Technology	2005- 2016	CTAB
Electronics Engineering Technician - Broadband Cable	Technician	Electronics	2005- 2016	CTAB
Electronics Engineering Technician - Communications	Technician	Electronics	2005- 2016	CTAB
Electronics Engineering Technology - Communications	Technologist	Electronics	2005- 2016	CTAB
Electronics Engineering Technician - Computers	Technician	Electronics	2005- 2016	CTAB
Electronics Engineering Technology - Control Systems	Technologist	Electronics	2005- 2016	CTAB
Environmental Science Technician	Technician	Environmental/Chemical	2008- 2016	CTAB

Sheridan College

Program Name	Program Level	Discipline	OACETT Recognized Years	Accreditation Body
Architectural Technician	Technician	Building	2007-2014	CTAB
Architectural Technology	Technologist	Building	2007-2014	CTAB

Program Name	Program Level	Discipline	OACETT Recognized Years	Accreditation Body
Chemical Laboratory Technician	Technician	Chemical	2008-Present	CTAB
Chemical Engineering Technology	Technologist	Chemical	2008- Present	CTAB
Chemical Engineering Technology - Environmental	Technologist	Chemical/Environmental	2008- Present	CTAB
Computer Engineering Technician	Technician	Information Technology	2009- Present	CTAB
Computer Engineering Technology	Technologist	Information Technology	2009- Present	CTAB
Electromechanical Engineering Technician	Technician	Mechanical/Electronics	2007- Present	CTAB
Electromechanical Engineering Technology	Technologist	Mechanical/Electronics	2007- Present	CTAB
Electronics Engineering Technician	Technician	Electronics	2007- Present	CTAB
Electronics Engineering Technology	Technologist	Electronics	2007- Present	CTAB
Environmental Science Technician	Technician	Chemical/Environmental	2008- Present	CTAB
Mechanical Engineering Technician	Technician	Mechanical	2007- Present	CTAB
Mechanical Engineering Technology	Technologist	Mechanical	2007- Present	CTAB
Mechanical Engineering Technician - Design and Drafting	Technician	Mechanical	2007- Present	CTAB
Mechanical Engineering Technology - Design and Drafting	Technologist	Mechanical	2007- Present	CTAB
Telecommunications Technology (formerly Internet Communication Technology)	Technologist	Information Technology	2008-2012	CTAB

Sir Sandford Fleming College

Program Name	Program Level	Discipline	OACETT Recognized Years	Accreditation Body
Computer Engineering Technician	Technician	Information Technology	2010- 2019	CTAB
Computer Engineering Technology	Technologist	Information Technology	2010- 2019	CTAB
