

We Teach. You Host. They Become Simply the Best.

OACETT's Technology Report Writing Seminar teaches the techniques and skills required to write industry standard technology proposals and high-powered reports.

Seminar Highlights:

- Two-day seminar, conveniently offered at your place of business or an alternative location
- Conducted by a highly qualified instructor
- Reviews all aspects of technology report writing, including:
 - writing a proposal letter
 - the mechanics of writing
 - the abstract
 - the body of the report

Two Great Options for Employers!

1. Register your employees today at your location
2. Host your very own seminar
 - 10 or more participants preferred
 - \$400 per person plus HST (10% discount offered per person)
